**Exemption Policy  
2017-2018**

**Requirements for Exemptions**

- 1) Attendance: No more than five absences in the class in which a student is eligible for exemption.
- 2) Discipline: No more than six detentions during the school year and no out-of-school suspensions during the year. An instance of in-school suspension counts as three detentions.
- 3) Assessment: A student's semester grade must be 90 percent or higher in the class.

**Classes Not Eligible for Exemption:**

- Semester courses
- AP/College courses
- Classes that require an end-of-course performance or project

**Additional Information:**

- 1) All students will be required to take final exams in some courses.
- 2) Students in grades 9-11 must take finals in two of their year-long classes\*, in addition to semester courses.
- 3) Seniors must take finals in one of their year-long classes\*, in addition to semester courses.
- 4) With the exception of 8th graders in Algebra I, students in grades 7-8 do not take comprehensive final exams and this policy does not apply to these grades.

\* AP/College courses count as year-long classes and satisfy this requirement.
